

CERTIFICATE OF PARTICIPATION AND ENDURANCE

42 PISCINE

Issued on: August 21st, 2026

To Whom It May Concern,

This is to certify that **Mr. Mahmoud Kalekish** has actively participated in the 42 Piscine, held from July 27th, 2026 to August 21st, 2026.

The Piscine is a mandatory and highly intensive 4-week selection process that serves as the gateway to admission at 42 Beirut, the partner campus of École 42 in Lebanon.

Throughout this period, **Mr. Kalekish** had to tackle a continuous series of demanding individual and group projects, time-bound technical challenges, evaluations, and machine exams. Each was designed to assess not only technical acumen but also resilience, collaboration, and the capacity for rapid learning.

This letter acknowledges **Mr. Kalekish's** full commitment until his final day, as well as his dedication and efforts in developing both technical and problem-solving skills. It also recognizes his ability to perform and persist under the pressure of this rigorous experience.

Sincerely,

A stylized, handwritten signature in blue ink, appearing to read 'Wissam Sammouri', positioned above a horizontal line.

Dr. Wissam Sammouri
Campus Director
